MEDIA GUIDELINES   A[A]

Drawings

File Format: JPG, RGB, minimum 2888px width, 72 dpi, grayscale.

Include all the graphic material available to help understand the project: Site Plan, Floor Plans, Sections, Elevations, Axonometric, Details, Diagrams.

Plans must be grayscale.

Do not include more than one plan in the same JPG file.

Do not include labels or borders.

Photos

File format: JPG, RGB, minimum 2880 px width, 72 dpi.

At least 8 images.

Include interior and exterior photographs (mandatory except for interior or landscaping projects)

We require daylit professional architectural photographs, taken with specialized equipment and postproduction (perspective correction, white balance, etc.)

Select photos that show the best of the project's context, volume, different spaces and materials used.
